

Swimming Pool Notice

Due to the Covid-19 Pandemic, the Holly Pool is taking preventative measures to ensure everyone's safety. We are strongly encouraging everyone to purchase swim passes and candy cards to limit the handling of money. We also need contact information for everyone who comes to swim. We will have a two nights and afternoons where parents/guardians can come and fill out contact information and swim pass forms. The forms will be posted on the Town of Holly Website if you would like to fill them out ahead of time. Please try and make it to these dates (listed below) or have the forms filled out and returned to the Holly Pool, so we will be ready for you all to swim. Thank you for continuing to support the Holly Pool and we cannot wait to see you all!

Sincerely,

Ashlyn Crossland

Pool Manager
