

RESOLUTION NO. 2023-7

A RESOLUTION AMENDING ORDINANCE 545 RELATING TO THE SEWER CLASSIFICATIONS – COMMERCIAL WITH YARD WATERING ACCOUNTS OF THE TOWN OF HOLLY, COLORADO

WHEREAS, the Commercial with Yard Watering customer in this classification exhibits water use attributed to yard watering. In addition to the monthly Commercial Rate, each 1,000 gallons over the 3,000 gallons monthly standard will be charged a Non-Watering Rate for the year by using the highest water consumption month of January or February. The Non-Watering Rate will be \$3.00 per 1,000 gallons fixed for the next ten months of the year; and

WHEREAS, in accordance with Ordinance 545, a Commercial with Yard Watering rate will have the gallons metered less the 3,000 gallons minimum at the current year's rate leaving the number of gallons to be charged at \$3.00 per gallon, a Non-Watering Rate.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the Town of Holly that:

Amended Section A. 2. Commercial with Yard Watering shall read as follows:

Commercial with Yard Watering: Customers in this classification exhibit water use attributed to yard watering. In addition to the monthly Commercial Rate, each 1,000 gallons over the 3,000 gallons monthly standard will be charged a \$3.00 Non-Watering Rate for the months of March through December, as assessed by using the highest water consumption month of January or February.

Example:

January: 7,000 gallons metered

February: 5,000 gallons metered

7,000 gallons metered	
-3,000 gallons metered minimum	\$12.38 (current year rate) = \$12.38 Commercial Rate
4,000 gallons @ \$3.00 per 1,000 gallons	= \$12.00 Non-Watering Rate
	\$24.38

This classification includes long-term care centers and other 24-hour facilities.

PASSED AND APPROVED THIS 1st DAY OF NOVEMBER, 2023.

Larry Sitts, Mayor
